本日の内容

1. 「GLP国際セミナー（ベルギー）/ Euro-Asia Summer School」の概要および日程
2. 履歴登録の方法について
3. 参加費用について
4. 質疑応答

GLP国際セミナー (交流国：日本、ベルギー、韓国、中国、スペイン)

英語によるディスカッション、グループ・ワーク

2021年度「GLP国際セミナー（ベルギー）」

学部生 ➡ 「GLP国際セミナー（ベルギー）」

大学院生 ➡ 「Euro-Asia Summer School」

Considering the circumstances, it seems opportune to focus the Summer School on sustainable development and the Sustainable Development Goals (SDG's) in particular, including a COVID aspect.

The Sustainable Development Goals before and after the COVID pandemic
European and Asian Perspectives on Global Governance

受講方法(1)

- Massive Open Online Course (MOOC) 
- 2 hours of online teaching focusing on one or more SDGs or related themes
- 90 minutes of interaction between students

<https://www.edx.org/course/the-un-sustainable-development-goals-an-interdisci>

受講方法(2)

- To this end, students could be divided in subgroups. The discussion could be facilitated by an academic
- These sessions should focus on discussing some SDGs/sustainability challenges from different perspectives
- Partners should make sure they have 2 or more persons who can facilitate the group discussions on their day. They can initiate, animate and steer group discussions. These can be facilitated through online tools such as POLLEVERYWHERE and SLIDO.

September 3rd

- Online Live Session (11 am - 1pm CET): Online Introductory Session:
- Dr. Axel Marx, Ms. Weiyuan Gao, Ms. Charline Depoorter
- • Introduction on the theme of the summer school and how COVID affects the SDGs
- • Introduction on the MOOC on the SDGs
- • Virtual meeting of all the students
- • Structure of the course
- • Information on group assignment

September 6th

- MOOC Module 1: The origin, development and idea of the SDGs.
- History and origins of the Sustainable Development Goals. What are the SDGs? What are their aims, methodology and perspectives? How are they related to the Millennium Development Goals?
- Online Live Session (approx. 11 am - 1pm CET): tbc

September 7th

- MOOC Module 2: SDGs and Society: Ensuring resilience and primary needs in society.
- In-depth discussion and analysis of goals related to poverty, hunger, health & well-being and education.
- MOOC Module 3: SDGs and Society: Strengthening Institutions for Sustainability.
- In-depth discussion and analysis of goals related to gender equality, affordable and clean energy, sustainable cities & communities, and peace, justice & strong institutions.
- Online Live Session (approx. 11 am - 1pm CET): tbc

September 8th

- MOOC Module 4: SDGs and the Economy: Shaping a Sustainable Economy
- In-depth discussion and analysis of goals related to work & economic growth, industry, innovation & infrastructure, inequalities, responsible production & consumption.
- MOOC Module 5: SDGs and the Biosphere: Development within Planetary Boundaries
- In-depth discussion and analysis of goals related to clean water, climate, life below water and life on land.
- Online Live Session (approx. 11am - 1pm CET): tbc

September 9th

- MOOC Module 6: Realizing the SDGs: Implementation through Global Partnerships
- In-depth discussion and analysis of SDG 17 which aims to implement the SDGs through partnerships, finance, technology and the development of coherence between policies.
- Online Live Presentations: (approx. 11am - 1pm CET)

September 10th

- Online Live Presentations and discussions by students: (11am - 3pm CET)

Assignment

- Groups of students. At least one European student with one Asian student.
- The assignment should focus on one SDG in particular and consist of an analysis of the achievement thereof from European and Asian perspectives and an assessment of how the COVID pandemic might influence the achievement of that SDG.
